Attach Wood Dowels

Parts required

E.	Wood Dowels	2 pcs

3. **Attach Wood Dowels (E).** Turn the chest upright and align the grooves in the outside of the drawer sides with the cleats attached to the side panels inside. Slide drawer halfway into chest, reach inside the drawer, and insert Wood Dowels (E) into the pre-drilled holes in the drawer sides. See Illustration # 2.
   The leveler guides located in the underside of the feet may be adjusted to level your chest once you have placed it into desired location.
